**PROCTOR BRIDGE (NH 114) IN HENNIKER TO BE CLOSED TO TRAFFIC**  
***THREE DAY CLOSURE PART OF BRIDGE REHABILITATION PROJECT***

The New Hampshire Department of Transportation announces the Edna Dean Proctor Bridge carrying NH Route 114 over the Contoocook River in Henniker will be closed to vehicle traffic from Tuesday August 28 through Thursday, August 30, 2001.

This bridge closure will be necessary in order to do work associated with this bridge renovation and widening project. Motorists and residents will be advised of the bridge closure by advance signing and can gain access to NH Route 114 via a detour along Main Street and Ramsdell Road. Signs, police officers and flag persons will be used to assist motorists with the detour.

Moores Marine Construction, of Dover, New Hampshire is the contractor for the \$3.48 million bridge project, which is scheduled to be completed by November 2001.
